

Portable Thermocouple for Brass or Bronze

When ordering a Complete Assembly, it is necessary to specify two different Part Numbers, one for the Handle and one for the Element. The following Tables list compatible Element and Handle Assemblies.

To Order: Select part number from appropriate listing under HANDLE ASSEMBLIES. Then select part number of Element and Tip assembly from column at right. The part numbers are itemized to reflect different lengths.

HANDLE ASSEMBLIES			ELEMENT & TIP ASSEMBLIES		
Straight	Angle	Handle Length	Part Number	Tip Length	
30367970 -001	----	31" (78.7 cm)	30367972 -002	8" (20,3 cm)
